

15F2011

Maintenance Stand

Building Quality Ground Support Products Since 1961

The 15F2011 4' x 7' maintenance platform with sliding handrails can be positioned to any height in its range by means of its self-contained hydraulic system.

- Non-slip, self-cleaning steps and platform floor
- 500 lb capacity
- Heavy-duty casters and 16" dia. Pneumatic tires make it easy to move from job-to-job
- Stair and platform railings can be lifted out and stored on the base
- Durable epoxy powder coat finish
- Base, stairs, and platform stay parallel at any height position
- All-steel welded construction
- Adjustable to any height within its 7' to 15' platform floor range
- Options:
 - 4.00 x 8 solid rubber-compound tires
 - 4.00 x 8 foam filled
 - Large Caster Option
